CLINICAL EXPERIENCE

December 2002-present Counseling Psychologist
VA Medical Center
One Veterans Drive
Minneapolis, MN 55417

Responsibilities: Provide psychosocial rehabilitation/vocational services in a partial psychiatric hospitalization program. Provide vocational rehabilitation services in a compensated work therapy program. Provide psychological rehabilitation services as needed in other inpatient and outpatient settings in the medical center, including assessments, individual psychotherapy, and group psychotherapy. Provide training and supervision for practicum students, interns, and master's level psychological practitioners. Research in religious beliefs affecting trauma outcomes.

August 2001-Nov. 2002 Psychologist
Cherokee Mental Health Institute
1251 West Cedar Loop
Cherokee, IA 51012

Responsibilities: Provide psychological assessment as needed for adults and children. Provide consultation and assistance with behavior management issues for adults and children. Provide and supervise psychotherapies for adults and children. Coordinate services and supervise staff in the Dialectical Behavior Therapy program. Provide staff training to update treatment protocols consistent with recent empirical findings. Assist with the Clinical Pastoral Education program.

Sept. 2000- August 2001 Psychology Intern
Austin State Hospital
4110 Guadalupe Street
Austin, TX 78751

Responsibilities: Conduct individual and group therapy on both inpatient and outpatient bases for adults, including adults on geriatric, mentally retarded, and deaf /hard of hearing units. Provide for psychometric assessment and consultation to the treatment team on an as-needed basis. Assist in treatment team staffings at intake, review, and discharge, as well as maintenance of up-to-date treatment planning and progress documentation. Provide for staff training as requested (for example, presentations on Dialectical Behavior Therapy and use of the Structured Interview of Reported Symptoms.) Supervision of Dialectical Behavior Therapy Team. Research on vocational adjustment. Assist with the Clinical Pastoral Education program.
Supervisor: Helen Childs, Ph.D., Virginia Livesay, Ph.D.

April 2000-August 2000

Psychology Assistant
For Elizabeth Linder, Ed.D (Private Practice)
4321 Brownfield Highway
Lubbock, TX 79407

Responsibilities: Planning and implementing assessment of inpatient and outpatient rehabilitation patients (including psychosocial and neurological facets of assessment), writing assessment reports, and working with psychiatrists and inpatient treatment teams to facilitate effective patient care and effective rehabilitation programming.

Supervisor: Elizabeth Linder, Ed.D.

May 1998-April 2000

Texas Tech University Health Sciences Center
John T. Montford Psychiatric Unit
Lubbock, TX
Research Assistant, Assessment Team

Responsibilities: Assessing offender/patients in a maximum-security psychiatric and medical hospital correctional setting. Offender/patients included an ethnically diverse group of male individuals presenting with a wide range of psychotic, mood, personality, neurological, and developmental disorders. Special emphasis was given to assessing risk of suicide, assessing risk of violent behaviors, assessing possible malingering, and diagnostic formulations based on the DSM-IV. Other tasks included providing individual therapy as an adjunct to Dialectical Behavior Therapy groups for borderline personality disorder, assisting in data collection for outcome and program development research, and assisting in the training of new staff.

Supervisor: Jann Dodd Jeter, Ph.D.

September 1998-
December 1998,
May 1999-May 2000
